This Month's Dojang News

Checkout these additional methods to enhance your TKD Training:

1. **Our School website - www.socatkda.com** On our Home Page you'll find School announcements, Grand-Master Steinhauser's written articles, our latest Newsletter and much more. On our Documents Page you will find class material: regarding training we learn in class like Sparring Steps, Forms, etc. On our Gallery Page you'll find photos of promotions, activities (inside and out of class) and much more. I encourage you to visit our website, click around and see what is available to enhance your training.
2. **TKD Notebooks -** Grand-Master Steinhauser requires each of us to put together a TKD Notebook. In your TKD Notebook compile written exercises you learn in class (ex. One-Step Sparring, Sparring Steps, etc. - all found on our website), also articles you would like to add with TKD in mind, papers you have written, all Newsletters since you started class, and Poomse (forms) that you have learned in written form. Your TKD Notebook should hold information with regards to what you have learned during your TKD training and so you can refer back to it, as a training tool when you teach. When you test for Black Belt, Grand-Master Steinhauser will ask to see your notebook and he will advise you regarding information you may need to enhance your TaeKwonDo training and to assist you in teaching others.
3. **10 Goals you plan to achieve for the coming year.** Each year Grand-Master Steinhauser requires us to write a paper stating 10 GOALS YOU PLAN TO ACHIEVE IN 2027. Our List of Goal's are due, to Grand-Master Steinhauser, no later than 1/31/27. To those of us with 2026 Goals we should be completing that list soon.
