## This Month's Dojang News

This month starts the 25th year since the newsletter was first published. Our Newsletter was started with the intention of sharing information between Master Steinhauser, TKD Students and their families. When read, we have achieved that purpose. In the future you will continue to see: our school announcements, TKD exercises in written format and material for your TKD notebook. However we want to hear from YOU! We want you to share what's important to you, whether it's about TKD, your Schoolwork or extracurricular activities, it helps us get to know you better. Also let me know what you would like to read about, in our newsletter. To share your information and thoughts in our newsletter, see me (Ms. Fallaha) before or after class or you can email me; [renee@mpicomputers.com](mailto:renee@mpicomputers.com).

**HEY KIDS!!** Halloween is lots of fun, with dressing up, sharing "Trick or Treating" with friends, OH YEAH and the candy too, YUMMMM! Please stay SAFE with a few reminders. **Carry a Flashlight, stay away from houses that are not well lit, don't go into any stranger's house, always assume cars can not see you, stay in a group, cross the street at the corner and as hard as it might be, don't eat any candy until your parents check it first. Oh and remember to have fun!!** **\*\*Important note: Your Dobok (TKD Uniform) is not a Halloween costume & must not be worn while Trick or Treating. It is disrespectful to do so. If trick or treating door-to-door is not for you, the City of Long Beach & surrounding cities sponsor Carnivals that are safe, fun & well organized. Whichever activity you choose; stay SAFE and as Master Steinhauser says "We want you to come back to class the same way you left".**
